## **Chairman's Report on the previous year**

The chairman commenced by mentioning the key friends and colleagues that have been lost during 2023 and highlighting their contribution to the sport in the region. Thoughts are with their various families.

The association has run, in conjunction with neighbouring associations, successful rally and speed championships, which is identified as one of the a key deliverables of the association. Reviewing club activity, 220 events have been run with only 25 having to be cancelled due to a combination of reasons including weather and venue viability.

During the year there have been a number of notable events including a member club (Anglia Motorsport) being awarded Club of the Year. The holding of the second Motor Sport Month East and the successful Get into Motorsport event and on line sessions organised by AMSC.

The Webinars, courses and learning hub support from Motorsport UK has been valuable in supporting clubs and club members in meeting current needs and developing for the future. Looking to the future it is becoming ever more obvious that costs are increasing and that with the desire to offer more support and especially training, the funding model will need to be reviewed.

## **Treasurer's Report**

Accounts for 2022 had been circulated prior to the meeting along with a commentary. The treasurer highlighted that these had not changed from the draft copies distributed earlier in the year.

There being no queries from the meeting the accounts were adopted unanimously Proposed Chelmsford MC (Paul Barrett) , West Suffolk MC (John Boot).

The treasurer was thanked for the comprehensive accounts.

## **Election of Officials for 2023/24**

A proposal was put to the meeting that in line with the growing relevance of Safeguarding within the community and sport it would be appropriate to include a Safeguarding Officer as a position within the association. This was agreed by the meeting

Clive Grounds had indicated that he wished not to stand as Training Officer for the next year. Otherwise current incumbents had agreed to stand again.

A nomination had been received from Anglia Motor Sport for Steve Casey to become training co-ordinator and from Wickford AC for Stuart Kingham to take on the Safeguarding role should it be agreed.
